Tip Off Road

บ้านตะวัน

We would like to invite you to Baan Tawan Guesthouse, located in Pai town—a unique little corner of the world unto itself. Found in the northern region of Thailand, Pai is a lively bohemian-style village that attracts musicians, artists, and those craving a little peace, quiet and rejuvenation in their lives. In the midst of a gorgeous green valley with hot springs, rice fields and a lovely lazy river, Pai's atmosphere makes it an easy place to stay awhile. A scenic 3-hour drive from Chiang Mai city, Pai is one of the most popular destinations for tourists today because of its varied attractions, and because of the opportunity it offers you to relax and renew yourself in the beauty of nature.

So come....stay with us awhile! At Baan Tawan, riverside wooden bungalows and newly designed, tastefully decorated private rooms await you in a beautifully tranquil, natural setting that encourages you to take it easy.

"Quiet, comfortable and on the edge of town, Baan Tawan is far enough away to provide solitude from the village highlights, but within walking distance for your convenience and enjoyment of the village's varied activities, restaurants, markets and attractions."

At Baan Tawan, the beauty is that you never need leave the wonderfully landscaped property. Enjoy the
